I'm a student who loves turning everyday school life into something memorable — from organising events to adding creative twists to routine tasks. I thrive on challenges, whether it's mastering science concepts, competing in DIATECH, or leading a team, and I bring energy and humour to every project.

EDUCATION

Middle School Student

Pursuing academics alongside leadership, STEM, debate, and the arts.

HIGHLIGHTS

Leadership President of Student Council; leads teams, events, and communications.

Innovation STEM Olympiads, robotics (DIATECH), and coding in Python & HTML.

Creativity Music (guitar & piano), photography, and the school musical.

Community Volunteering — clean-ups, charity bake sales, and Rotaract.
